Dear Mrs. Smith,

I am Julieta Duran Vasquez. I am writing this letter to let you know that I'm interested in the position that you are offering at your establishment. My resume shows all my qualifications/experience I had that can support my qualifications for this position. Some of my strengths include being passionate, bilingual, & respect.

I have skills that line up with this position. I set priorities and goals for work and stay organized. Leadership qualities that would align with me would be my self-awareness, accountability, and compassion. I have been in multiple clubs during my high school time. I was volunteering at the elementary school nearby after school to assist teachers and help the children. I have worked in agriculture, where I learned about patience and hard work, and I hope to work for a law firm in my future.

I want to gain experience from opportunities that'll expand my knowledge and allow me to come out of my comfort zone, like working on my communication and teamwork skills. I would be grateful to show you my other skills. If you have any questions, please feel free to contact me at julietaduranvasquez@gmail.com or 559.482.4794

Thank you for your time, and I look forward to hearing back from you.

Sincerely,

Julieta Duran Vasquez
