To Whom it May Concern:

It gives me great pleasure to offer this letter of recommendation on behalf of Julieta Duran Vasquez.

I have had the pleasure of knowing Julieta for the past two years in her role as a student in my Spanish III class. I find Julieta to be a hard worker. Julieta adheres to high ethical standards as well.

In class, she has demonstrated that she is driven, motivated and determined to take advantage of all the opportunities that come to her.

She speaks and writes Spanish fluently. I am sure this can be a very useful skill in the workforce. Julieta is a hard working and dedicated student. In class, she completes all of her assignments on time and follows all rules. She is very responsible and respectful

I enthusiastically recommend Julieta for the position she is currently pursuing. I am confident she will serve her employer with distinction.

Sincerely ,
